Graphic Mart is located at 845 Main St. E. Unit 5 in beautiful Milton, Ontario, Canada. From the sleepy town it was just a few years ago, it has now become one of the fastest growing communities in North America.

So, what does that have to do with you? Well, we are like Milton was at one time, a tucked away gem waiting to be discovered. Did you know that our parent company, Bracken Marketing Inc., has been around for close to 40 years, 38 years to be exact! All of those years have been directly related in one form or another with the automotive aftermarket & sign industries.

In 1978, we became directly involved in 'sticky' tape or striping tape and graphics as they are better known. As the industry continued to move and change, we changed with it. In 1991, the name "Graphic Mart" was born and the rest is history.

Graphic Mart has now become a leader in the sale, manufacturing and distribution of sign, digital & automotive restyling products.
